Spawn Comet sports car	RB, B, RT, Right, LB, LT, A, A, X, RB

THE MONEY CHEAT TRUTH

There is NO money cheat code in GTA 5, on any platform. There are no cheat codes at all in GTA Online. Any site or video promising unlimited money, a money generator or free GTA\$ is a scam. In story mode, use Lester's assassination missions and the stock market to make billions inside the game. Cheats also disable trophies and achievements for that session only, so save your game first.
